

### Possession of Wireless Communication Devices

Teacher: \_\_\_\_\_

Grade: \_\_\_\_\_

### STUDENT AND PARENT CONTRACT

Should a student not have this signed contract on file, they he/she will lose the opportunity for a warning and have cell phone privileges revoked for the remainder of the school year.

Maintaining the integrity of the learning environment is the top priority. Students will be permitted to have cell phones in their possession throughout the school day and while being transported by school bus; however, during school hours, phones must be off and not visible.

Should a student be observed using a cell phone, or a cell phone rings during the school day, disciplinary action will include, but is not limited to, an office discipline referral and confiscation of the phone. The phone will only be returned when retrieved by a parent or guardian. Additionally, a student's repeated abuse of this policy will result in the student losing the privilege to be able to carry a cell phone permanently, or for a period of time as determined by an administrator.

During times of testing and other student evaluations, teachers will request that students remove their cell phone from their possession, either by returning to a locker, placing under a desk or placing on teacher's desk, thereby reducing the possibility of compromised test security.

Fire drills, assemblies, or other school evacuations are considered cell phone blackouts. During such contingencies, there will be absolute ZERO TOLERANCE on cell phone use. Usage of a cell phone during cell phone blackout periods will be considered a major infraction and result in formal consequences.

### STUDENT/PARENT CONTRACT

I, \_\_\_\_\_ (student's printed name) understand that possession of a wireless communication device including a cellular telephone on school campus is a privilege, and that it may be revoked at any time by the administration for violating this school policy regarding such possession, which I have been provided with and read. Furthermore, I understand that the school and its employees are in no way responsible for any theft or damage of any communication device while on school grounds. The school is not obligated to investigate the loss or damage of any phone. Should my cell phone be confiscated, I understand that it will only be returned when a parent/guardian comes to the school to retrieve it.
